## Web Developer

Contact: 7751912929

E-mail: durgaprasada2001@gmail.com

---

### **Career Objective:**

Aspiring Web Developer with a strong foundation in front-end technologies and a keen interest in creating dynamic and interactive web applications. Enthusiastic about leveraging my skills in HTML, CSS, JavaScript, Java and learning React JS to build user-friendly and efficient web solutions. Dedicated to continuous learning and growth within the web development industry.

### **Education:**

Qualifications	School / College	Board / University	Year Of Passing	Percentage / CGPA
B. Tech (ETC)	IGIT SARANG	BPUT	2023	8.6 CGPA
Intermediate	KENDRIYA VIDYALAYA NO.1 CTC	CBSE	2019	82 %
Matriculation	KENDRIYA VIDYALAYA NO.1 CTC	CBSE	2016	9.0 CGPA

### **Experience:**

**Company Name:** Shri Mahavir Ferro Alloys (SMFA)

**Role:** Graduate Engineer Trainee (GET)

**Skills:** Data Analysis, Power BI, MySQL

**Duration:** 2-Feb-2023 – 11-Dec-2023 (11 Months)

### **Community:**

- GOOGLE DEVELOPER CLOUD COMMUNITY (Member):** - I participated in GDG Cloud community to delve into current market technologies, real-time work challenges, and collaborative problem-solving. Engaging in events like Cloud, AI Roadshow, and Cybersecurity, alongside Dev Fests, helped us stay updated and foster innovative ideas.

## **Projects:**

### **1. Music Player**

Developed a music player with HTML, CSS, and JavaScript, incorporating features such as playlist management and fixed-position playback controls.

### **2. DOM Creation using JavaScript**

Implemented dynamic DOM manipulation techniques using JavaScript to create interactive web components and enhance user experience.

### **3. Weather API Application**

Built a web application that fetches and displays weather data from a public API, featuring a clean and intuitive user interface developed using HTML, CSS, and JavaScript.

### **4. Portfolio Website**

Developed a personal portfolio website to showcase my projects and skills using HTML, CSS, and JavaScript. The website features an interactive UI, project descriptions, and a contact form. LINK: - <https://durga6666.github.io/mainport/>

## **Technical Skills:**

- 1. HTML & CSS:** I have Proficient in HTML5 and CSS3 for structured and styled web pages.
- 2. JAVASCRIPT:** I am Skilled in JavaScript for adding interactivity and functionality to web projects.
- 3. GIT & GITHUB:** I am Proficient in using Git for version control and collaboration, Experienced in using GitHub for hosting and managing code repositories.
- 4. JAVA:** I have good knowledge in DSA and Experienced in Java programming for backend development.
- 5. ORACLE:** I have Knowledgeable in database management and Data connection using SQL queries.
- 6. C:** I am familiar with programming concepts and problem-solving using C.

## **Certifications And Awards:**

- 1. Front-End Developer Course** by Coding Ninjas
- 2. Cybersecurity Course** by Cisco Network Academy
- 3. Silver Badge in C++** by Hacker Rank
- 4. Full Stack Java** from Naresh IT (Ameerpet, Hyderabad).
